

Secondary NQT CPD Programme 2019- 2020

We are passionate about shaping the teachers and leaders of the future

Programme Aims:

- To develop NQTs into outstanding practitioners and leaders of the future
- To provide a network of NQTs who will work together to shape the future of education through a reflective and research based approach to teaching
- To provide opportunities for cross-phase networking, bridging the primary / secondary divide

NQT training with NQT SW

- Train with Specialist Leaders of Education who are currently outstanding specialist and who are at the cutting edge of education but also have current experience applying their knowledge in the modern classroom
- Learn from leading educationalists who are at the forefront of local and national agenda
- Receive training on key elements of the teacher standards, receive expert input on cross curricular issues and have an opportunity to visit colleagues in an Outstanding school
- Begin the year with an inspiring and informative conference, celebrating and supporting the start of your journey as a successful teacher

Venue:

All sessions will be held at Uffculme School.

Cost:

Option 1: Provide your NQT with a comprehensive programme of support by purchasing the entire package at a discounted rate of £300.

Option 2: Provide your NQTs with personalised CPD through purchasing individual sessions to create a bespoke programme of support.

Booking:

Schools already registered on NQT Manager can book places using the Courses facility.

For more information or a booking form please email: admin@ectsw.org.uk

Secondary NQT CPD Programme

NQT Annual Regional Conference

Friday 27 September 2019
